## Big Creek Area Expansion

July 14, 2017 - 8:45 pm

An Evacuation Alert has been issued by Cariboo Regional District at the Emergency Operations Centre (EOC).

Because of the potential danger to life and health, the Cariboo Regional District has issued an Evacuation Alert for the following areas:

West of the Fraser River from approximately 9 km North of Gang Ranch to the existing Big Creek Alert Area and the existing Fletcher Lake Evacuation order area; directly south of the existing Alexis Creek evacuation order area.

Includes Farwell Canyon road (2000 road), Farwell Canyon, Gaspard Creek FSR, 2000 Road and Mons Creek.

**See attached map**

An Evacuation Alert has been issued to prepare you to evacuate your premises or property should it be required.

Residents will be given as much advance notice as possible prior to evacuation; however you may receive limited notice due to changing conditions.

### **WHAT YOU SHOULD DO WHEN AN ALERT IS IN EFFECT**

Upon notification of an **ALERT**, you should be prepared for the evacuation order by:

- Locating all family members or co-workers and designate a Reception Centre outside the evacuation area, should an evacuation be called while separated.
- Gathering essential items such as medications, eyeglasses, valuable papers (i.e. insurance), immediate care needs for dependants and, if you choose, keepsakes (photographs, etc). Have these items readily available for quick departure.
- Preparing to move any disabled persons and/or children.
- Moving pets and livestock to a safe area.
- Arranging to transport your household members or co-workers in the event of an evacuation order. If you need transportation assistance from the area please call 250-392-6284.
- Arranging accommodation for your family if possible. In the event of an evacuation, Reception Centres will be opened if required.
- Monitoring news sources for information on evacuation orders and locations of Reception Centres.
