Pursuant to the BC Emergency Program Act, an Evacuation Order has been downgraded to an Alert by the Cariboo Regional District at the Emergency Operations Centre (EOC).

ORDER DOWNGRADED TO ALERT – NORTHWEST OF 100 MILE HOUSE

This **alert** area is **replacing** the evacuation order for the following:

Northwest of 100 Mile House – July 22, 2017 at 2:00 pm

See attached map

As this Evacuation Alert replaces a previous Evacuation Order you must remain prepared to evacuate your premises or property should it be required.

Residents will be given as much advance notice as possible prior to evacuation; however you may receive limited notice due to changing conditions.

What you should do when an evacuation order has been downgraded to an alert:

Upon notification of an evacuation order downgrade, you should remain prepared for an evacuation by:

- Ensuring that you know the location and preparing to transport all family members or co-workers and designate a Reception Centre outside the evacuation area, should the area brought back under evacuation order.
- Keeping essential items readily available for a quick departure, including medications, eyeglasses, valuable papers (i.e. insurance), immediate care needs for dependants and, if you choose, keepsakes (photographs, etc).
- Ensuring that any disabled persons and/or children are prepared for departure.
- Ensuring that pets and livestock remain in a safe area.
- Ensuring that you have accommodation options for your family, if possible. Reception Centre will be made available again if required.
- Monitoring reliable news sources for evacuation order information. Further information will be issued as it becomes available via the CRD Emergency Operations Facebook page (@CRDEmergencyOperations) and the CRD website www.cariboord.ca
