An Evacuation Alert has been issued by Cariboo Regional District at the Emergency Operations Centre (EOC). This Alert is a **downgrade** of a portion of a previous order, which has been replaced to reflect this downgrade.

This alert applies to the following area:

**Please see attached map.**

Residents will be given as much advance notice as possible prior to evacuation; however you may receive limited notice due to changing conditions.

### ***WHAT YOU SHOULD DO WHEN AN ALERT IS IN EFFECT***

Upon notification of an **ALERT**, you should be prepared for the evacuation order by:

- Having a plan to transport all family members or co-workers outside of the area, should the area be brought back under evacuation order.
- Keeping essential items readily available for a quick departure; including medications, eyeglasses, valuable papers (i.e. insurance), immediate care needs for dependants and, if you choose, keepsakes (photographs, etc).
- Ensuring that any dependants are prepared for departure.
- Ensuring that pets and livestock remain in a safe area.
- Ensuring that you have accommodation options for your family, if possible. Reception Centre will be made available again if required.
- Monitoring reliable news sources for evacuation order information. Further information will be issued as it becomes available via the CRD Emergency Operations Facebook page (@CRDEmergencyOperations) and the CRD website [www.cariboord.ca](http://www.cariboord.ca)
