

# CRD Evacuation Alert

## Bridge Creek - Hood Road Area

Thursday, April 30, 2020 at 2:30 pm

An Evacuation Alert has been issued by the Cariboo Regional District at the Emergency Operations Centre (EOC).

Because of the potential danger to life and health, the Cariboo Regional District has issued an Evacuation Alert for the following areas:

- **6685 Hood Road**

An Evacuation Alert has been issued to prepare you to evacuate your premises or property should it be required. Residents will be given as much advance notice as possible prior to evacuation; however you may receive limited notice due to changing conditions.

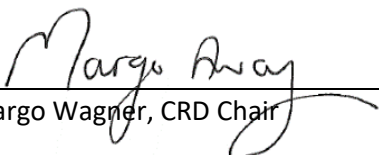

**See attached map for affected area.**

### ***WHAT YOU SHOULD DO WHEN AN ALERT IS IN EFFECT***

Upon notification of an **ALERT**, you should be prepared for the evacuation order:

- Have a plan to transport all family members or co-workers outside of the area, should the area be brought under evacuation order.
- Keep essential items readily available for a quick departure; including medications, eyeglasses, valuable papers (i.e. insurance), immediate care needs for dependents and, if you choose, keepsakes (photographs, etc).
- Ensure that any dependents or pets are prepared for departure.
- Move pets and livestock to a safe area.
- Ensure that you have accommodation options for your family, if possible. A Reception Centre will be made available if required.
- In the event you are evacuated, do not shut off your natural gas.
- Monitor reliable news sources for information on evacuation orders and locations of Reception Centres and the CRD's channels on Facebook and [cariboord.ca](http://cariboord.ca).
- If you are on an evacuation ALERT, or if you have been displaced from your home due to an emergency, please self-register for Emergency Support Services. Self-Registration will reduce wait times for evacuees and assist in the referral process. <https://ess.gov.bc.ca/>
