-
1. Unsecured loads which result in escapement of waste during transport within the site are charged double the applicable fee.
 Segregated loads are defined as containing pre-sorted, uniform waste types. On-site sorting and disposal of non-segregated waste is prohibited.
 2. Defined as loads containing greater than 10% by volume of other waste types.
 3. Disposal by appointment only. Load must be accompanied by all required transport and disposal manifests.
 4. Special Waste Material as defined by the Canadian Food Inspection Agency (CFIA). A valid permit to transport Specified Risk Material is required from the Canadian Food Inspection Agency and must be presented to Cariboo Regional District attendant before acceptance into the landfill. Disposal of Specified Risk Material is by appointment only.
