

GUIDELINES FOR USE

SHARE SHED REOPENED ON A TRIAL BASIS

Please observe the following guidelines:

- Local users only, during regular refuse site use (don't make a special trip)
- Maintain social distancing at all times, limit one person or family "bubble" inside at a time
- If the shed is full of donated goods, hold onto your items until next time
- Do not drop off clothing, baby/child safety items (including car seats), or small loose items

Share Shed will be closed if:

- It becomes over-full of donated or prohibited items (clothing, baby/child safety items, etc...)
- Users are aggressive or confrontational towards staff or others
- Users loiter on foot or in vehicles, or if share shed traffic inhibits refuse site operations

Do not use share shed or refuse site if you are feeling unwell (symptoms of flu, cold, or fever); you have travelled outside of Canada in the last 14 days; or you have been in contact with someone who has tested positive for COVID-19
