The BC FireSmart Seniors Assistance Program is a program that has been designed to help residents reduce wildfire risk on their properties when they are unable to complete the physical work themselves.

Regional Profile

The Cariboo Regional District, a large geographic area located in the Central Interior of British Columbia, encompasses 80,252 square kilometers of land. Incorporated in 1968, the Region has 12 electoral areas and within the Region’s boundary sits 4 incorporated municipalities and the unceded traditional territories of several First Nations.

lloveng@cariboord.ca

Proponents and their representatives are not permitted to contact any employees, officers, agents, elected or appointed officials or other representatives of the Region, other than the RFP Contact, concerning matters regarding this RFP. 1.3 Type of Contract for Deliverables

The selected proponent will be requested to enter into direct contract negotiations to finalize an agreement with the Region for the provision of the Deliverables. The terms and conditions found in the Form of Agreement (Appendix A) are to form the basis for commencing negotiations between the Region and the selected proponent. It is the Region’s intention to enter into an agreement with only one (1) legal entity. The term of the agreement is to be for a period of six (6) months.

A proponent may, at its option and with a valid reason, request an extension of the Proposal Submission via email to the RFP Contact no less than Forty Eight (48) hours prior to the Submission Deadline. The RFP Contact may (at his/her discretion) grant an extension. Should the Proposal Submission extension be granted, the RFP Contact will communicate the extension to all proponents in the form of an addenda. The Region is under no obligation to return withdrawn proposals.

[End of Part 1]

PART 2 – EVALUATION AND NEGOTIATION

2.1 Stages of Evaluation and Negotiation

The Region will conduct the evaluation of proposals and negotiations in the following stages:

2.2 Stage I – Mandatory Submission Requirements

Stage I will consist of a review to determine which proposals comply with all of the mandatory submission requirements. If a proposal fails to satisfy all of the mandatory submission requirements, the Region will issue the proponent a rectification notice identifying the deficiencies and providing the proponent an opportunity to rectify the deficiencies. If the proponent fails to satisfy the mandatory submission requirements within the Rectification Period, its proposal will be excluded from further consideration. The Rectification Period will begin to run from the date and time that the Region issues a rectification notice to the proponent. The mandatory submission requirements are as follows:

2.2.1 Submission Form (Appendix B)

Each proposal must include a Submission Form (Appendix B) completed and signed by an authorized representative of the proponent.

2.2.2 Pricing Form (Appendix C)

Each proposal must include a Pricing Form (Appendix C) completed according to the instructions contained in the form.

2.2.3 Other Mandatory Submission Requirements

Proposed Work Plan including the approach and timelines

2.3 Stage II – Evaluation

Stage II will consist of the following two sub-stages:

2.3.1 Mandatory Technical Requirements

The Region will review the proposals to determine whether the mandatory technical requirements as set out in Section C of the RFP Particulars (Appendix D) have been met. Questions or queries on the part of the Region as to whether a proposal has met the mandatory technical requirements will be subject to the verification and clarification process set out in Part 3.

2.3.2 Rated Criteria

The Region will evaluate each qualified proposal on the basis of the rated criteria as set out in Section D of the RFP Particulars (Appendix D).

2.4 Stage III – Pricing

Stage III will consist of a scoring of the submitted pricing in accordance with the price evaluation method set out in the Pricing Form (Appendix C). The evaluation of price will be undertaken after the evaluation of mandatory requirements and rated criteria has been completed.

2.5 Stage IV – Ranking and Contract Negotiations

2.5.1 Ranking of Proponents

After the completion of Stage III, all scores from Stage II and Stage III will be added together and the proponents will be ranked based on their total scores. The top-ranked proponent will receive a written invitation to enter into direct contract negotiations to finalize the agreement with the Region.

2.5.2 Contract Negotiation Process

Any negotiations will be subject to the process rules contained in the Terms and Conditions of the RFP Process (Part 3) and will not constitute a legally binding offer to enter into a contract on the part of the Region or the proponent and there will be no legally binding relationship created with any proponent prior to the execution of a written agreement. The terms and conditions found in the Form of Agreement (Appendix A) are to form the basis for commencing negotiations between the Region and the selected proponent. Negotiations may include requests by the Region for supplementary information from the proponent to verify, clarify or supplement the information provided in its proposal or to confirm the conclusions reached in the evaluation, and may include requests by the Region for improved pricing or performance terms from the proponent.

2.5.3 Time Period for Negotiations

The Region intends to conclude negotiations and finalize the agreement with the top-ranked proponent during the Contract Negotiation Period, commencing from the date the Region invites the top-ranked proponent to enter negotiations. A proponent invited to enter into direct contract negotiations should therefore be prepared to provide requested information in a timely fashion and to conduct its negotiations expeditiously.

2.5.4 Failure to Enter into Agreement

If the parties cannot conclude negotiations and finalize the agreement for the Deliverables within the Contract Negotiation Period, the Region may discontinue negotiations with the top-ranked proponent and may invite the next-best-ranked proponent to enter into negotiations. This process shall continue until an agreement is finalized, until there are no more proponents remaining that are eligible for negotiations or until the Region elects to cancel the RFP process.

2.5.5 Notification to Other Proponents

Other proponents that may become eligible for contract negotiations will be so notified at the commencement of the negotiation process with the top-ranked proponent. Once an agreement is finalized and executed by the Region and a proponent, the other proponents will be notified in accordance with the Terms and Conditions of the RFP Process (Part 3).

[End of Part 2]

3.2 Communication after Issuance of RFP

3.2.1 Proponents to Review RFP

3.2.2 All New Information to Proponents by Way of Addenda

This RFP may be amended only by addendum in accordance with this section. If the Region, for any reason, determines that it is necessary to provide additional information relating to this RFP, such information will be communicated to all proponents by addendum issued in the same manner that this RFP was originally issued. Each addendum forms an integral part of this RFP and may contain important information, including significant changes to this RFP. Proponents are responsible for obtaining all addenda issued by the Region. 3.2.4 Verify, Clarify and Supplement

When evaluating proposals, the Region may request further information from the proponent or third parties in order to verify, clarify or supplement the information provided in the proponent's proposal, including but not limited to clarification with respect to whether a proposal meets the mandatory technical requirements set out in Section C of the RFP Particulars (Appendix D). The Region may revisit and re-evaluate the proponent's response or ranking on the basis of any such information.

3.3 Notification and Debriefing

3.3.1 Notification to Other Proponents

Once an agreement is executed by the Region and a proponent, the other proponents may be notified directly in writing and shall be notified by public posting in the same manner that this RFP was originally posted of the outcome of the procurement process.

3.3.2 Debriefing

Proponents may request a debriefing after receipt of a notification of the final outcome of the procurement process. All requests must be in writing to the RFP Contact and must be made within thirty (30) days of such notification.
