

CRD Evacuation Order

Alexis Creek to West Fraser Road #3

EVACUATION ORDER AREA UPDATED

Tuesday, 18 July 2017 7:03 PM

Pursuant to the BC Emergency Program Act, an Evacuation Order issued by the Cariboo Regional District has been updated, to downgrade a portion of the area to an Evacuation Alert.

Due to immediate danger to **life safety** due to fire, members of the RCMP or other groups will be enforcing this action.

The new Evacuation Order area includes the areas from the previous Alexis Creek to West Fraser Orders # 1 and #2, with the exception of the following area which has been downgraded to an Alert:

West from the Fraser River at Buckridge Hall on the West Fraser Road following the south boundaries of DLs 6147, 2041, Blk A&B of 8006, 8005 and Blk B of 8005; north to Garner Road at the junction of the Webster Lake Road at 35 km; west to Lavington Road at 26; west 6 km; north to the boundary of the remaining order area.

This Order **reduces the area of the Alexis Creek to West Fraser Road Evacuation Orders #1 and #2**. Please see attached map to see the area that has been downgraded to an Evacuation Alert and which areas remain on Evacuation Order.
