

2026 ELECTORAL AREA G BUDGET

The CRD provides 124 services, each applied to a specific area, with only taxpayers in that area paying for the services they receive. Funds collected for a service can only be used to support that service. If a service applies to your property, the cost is collected on your annual property tax bill, along with other taxes such as school or police taxes. Charges are based on assessed property value, a flat rate per parcel or user, or a combination of both, using BC Assessment values and typically calculated per \$100,000 of residential assessment.

ESTIMATED 2026 TAX RATES FOR REGIONAL SERVICES

Tax Rate by Service per \$100,000 of residential assessed value:

 Rural Refuse \$39.61 (-\$0.53 from 2025)	 Central Cariboo Search & Rescue \$4.62 (-\$0.05 from 2025)	 Grants for Assistance - Area G \$0.73 (+\$0.19 from 2025)

 108 Mile Water Service \$178.32 (parcel tax)	 108 Greenbelt \$15.06 (parcel tax)	 108 Community Hall \$16.14 (parcel tax)	 103 Mile Water Service \$128.81 (parcel tax)
 South Cariboo Transit \$32.93 (parcel tax)	 Lac La Hache Sewer \$267.33 (parcel tax)	 Forest Grove Fire Protection \$28.08 (parcel tax)	

Regional Services - across the Cariboo Regional District.

Regional Libraries

Library services are funded regionally through property taxes and provide access to facilities, collections, digital resources, and programs. Funding supports operations, building maintenance, public access to materials and technology, and safe, accessible library spaces.

Solid Waste & Refuse Management:

Solid Waste Management oversees garbage and recycling across the Cariboo, operating landfills and transfer stations and supporting waste disposal. The service also promotes waste diversion through recycling and composting.

Invasive Plant Management:

This service helps limit the spread of invasive plants on public and private land across the region. Funding supports landowner assistance and public education, including site visits, treatment guidance, coordinated control, and bylaw enforcement.

Administrative Services:

Administration and Corporate Services support regional services through Board functions, administration, finance, communications, and IT that help deliver services across the region.

Development Services:

Development Services support land use regulation in Electoral Areas, including building inspections, bylaw enforcement, and development compliance, helping ensure safe construction, orderly development, and consistent standards across the region.

Regional Hospital District

Residents contribute to regional hospital and healthcare infrastructure, supporting renovations, new facilities, and medical equipment through Northern Health and Interior Health, with a continued focus on improvements at Cariboo Memorial Hospital in Williams Lake.

Local Area Services - Area G Services

Utilities & Streetlights

Electoral Area G includes several local utility services. The CRD operates community water systems in Lac La Hache and sewer services in 103 Mile House and 108 Mile House. Residents in Lac La Hache also contribute to neighbourhood streetlighting operated by BC Hydro. Funding supports system operation, maintenance, and long-term planning to ensure reliable service.

Contribution Services

We offer funding for community services in Area G, supporting the South Cariboo transit service, South Cariboo cemeteries, and grants for community groups.

South Cariboo Airport

This service is funded in part by taxation from Electoral Areas G, H, and L and supports the operation and maintenance of the regional airport. Funding supports ongoing upkeep, minor facility improvements, and planning work to ensure the airport remains safe, functional, and able to meet future needs.

Recreation Services

Parts of Areas G, H, and L near 100 Mile House contribute to the South Cariboo Recreation service, which supports regional recreation facilities and amenities such as the recreation centre, ball fields, community theatre and lodge facilities, lake and beach access, and soccer fields. Properties in 108 Mile also contribute to the upkeep of the Greenbelt and Community Hall, with funding supporting ongoing maintenance, operating costs, and small community projects.

Economic Development

Electoral Areas G, H, and L participate in the South Cariboo Economic Development service, which supports community initiatives across the region by funding partner organizations working in areas such as agriculture, tourism, and resident attraction, with the goal of supporting economic activity, attracting and retaining residents, and encouraging collaboration among participants.

Emergency Services

Emergency Services support emergency preparedness, response, and recovery across the region. Funding supports planning, training, coordination, and emergency response activities, as well as ongoing public education such as FireSmart. Most of Electoral Area G provides funding to South Cariboo Search and Rescue, an independent society, with a portion of the area also contributing to fund Central Cariboo Search and Rescue.

Fire Protection

Parts of Electoral Area G receive CRD-operated fire protection through the Lac La Hache, 108 Mile, Forest Grove, and Lone Butte Volunteer Fire Departments. Area G also contributes funding toward fire protection in the 100 Mile House Fringe, which is provided by the District of 100 Mile House. Funding supports firefighter training, equipment, and volunteer recruitment.
