Frequently Asked Questions

Q. How do I know where to put my garbage tote?

- A. Place your tote on the street or against the curb if present, at least 1 metre away from recycling containers or other obstacles. Consider placing garbage totes on the opposite side of your driveway from your recycling.

Q. What do I do if my garbage doesn't get picked up?

- A. If totes are out by 8 a.m. they should be collected. If pick-up is missed and there isn't room in your tote to last another week, call the CRD at 1-800-665-1636 and ask to speak with the Solid Waste department.

Q. Can I have more than one garbage tote?

- A. Yes, if your property is zoned for and has a secondary suite, a carriage house, or multiple dwelling (up to a fourplex), additional totes* will be supplied upon request by the property owner. Annual bills will reflect the number of totes provided; i.e. if there are two totes you will be billed for two services. Additional tote request forms can be found on our website or contact us.

Q. Questions about recycling services?

- A. Visit recyclebc.ca/where-can-i-recycle/home-collection/quesnel/ or email askmebc2@emterra.ca or phone 250-992-2626. The CRD is not responsible for recycling collection.

Be Bear Aware

Place totes at the curb the morning of your collection day, not the night before.

**Provision of garbage totes does not imply CRD authorization or recognition of unauthorized land use or compliance with CRD bylaws.*

Not Everything is Accepted

Recyclables and hazardous materials such as batteries (all kinds), electronics, chemicals, medications, paint, propane canisters/tanks, automotive oil, and fuels are not permitted in garbage totes. 

Visit rcbc.ca or call 1-800-667-4321 to find out where to recycle these items.
