AGRICULTURAL DEVELOPMENT ADVISORY COMMITTEE REGULAR MEETING

The Minutes of the Regular Meeting of the Agricultural Development Advisory Committee, held via Zoom on March 20th, 2024 at 7 PM

Purpose and Use of Meeting Minutes

The purpose of the meeting minutes is to summarize the discussions that occurred during the meeting and record action items. Comments summarized here represent the opinions of the individuals who made them and not of the Advisory Group as a whole. We intentionally do not associate names with the input recorded in the minutes to support a more open dialogue. A Record of Motions is kept, validating the members' votes to carry motions. Minutes will be used to plan for future meetings and to create documents supporting the Advisory Group and its processes. Advisory Group members are given the opportunity to provide feedback on the minutes. Minutes will be approved at the following meeting.
