

ADDENDUM No. 01

Cariboo Regional District: Request for Proposals: # 26-006:

Addendum number 01 is issued to the Cariboo Regional District Request for Proposal # 26-006 to provide the following responses to questions submitted for clarification: **All Responses identified in bold red text.**

CHANGE 1: Questions and Responses.

1. Does the security gate for the Bean Counter Bistro need to be removed? - **Yes**
2. Are any hazardous materials present in existing building materials? - **Flooring, drywall etc. Not that we are aware of. The last renovation took place in 1999.**
3. Confirm millwork supply by others but install included in this scope for Library – **Yes**
4. Confirm flooring by others in library – **Yes**
5. Confirm all electrical by others for Library except New Office – **Yes**
6. What is the required finish detail at the new wall to the Bean Counter for each side of the wall? – **Drywall and Paint (the appropriate colors) as well as the millwork on the CRD side**
7. Should the new walls run up to the underside of the existing suspended ceiling, or should the grid be adjusted to allow the walls to run up past? **We are OK with the new walls running up to the existing ceiling**

-END of Questions / Responses

All other terms and conditions as specified in the Request for Proposal shall remain the same.

Issued on Behalf of the Cariboo Regional District:

Larry Loveng

Manager of Procurement
