Wednesday, August 30, 2017 at 1:00 pm

Pursuant to the BC Emergency Program Act, the alert in the South of Highway 24 area issued August 20, 2017 at 5:45 pm is being **rescinded and replaced** by the following alert area by the Cariboo Regional District at the Emergency Operations Centre (EOC).

See attached map

In an alert area, you must remain prepared to evacuate your premises or property should it be required. Due to ongoing fire control activities, access to some areas may be limited and is at the discretion of check point personnel.

Residents will be given as much advance notice as possible prior to evacuation; however you may receive limited notice due to changing conditions.

Should an evacuation order be issued, the evacuation route will be:

Highway 24 to 100 Mile House

WHAT YOU SHOULD DO WHEN AN ALERT IS IN EFFECT

Upon notification of an **ALERT**, you should be prepared for the evacuation order by:

- Locating all family members or co-workers and designating a Reception Centre outside the evacuation area, should an evacuation be called while separated.
- Gathering essential items such as medications, eyeglasses, valuable papers (i.e. insurance), immediate care needs for dependants and, if you choose, keepsakes (photographs, etc). Have these items readily available for quick departure.
- Ensuring that any dependants are prepared for departure.
- Moving pets and livestock to a safe area.
- Arranging to transport your household members or co-workers in the event of an evacuation order.
- Ensuring that you have accommodation options for your family, if possible. In the event of an evacuation, Reception Centres will be opened if required.
- Monitoring reliable news sources for evacuation order information. Further information will be issued as it becomes available via the CRD Emergency Operations Facebook page (@CRDEmergencyOperations) and the CRD website www.cariboord.ca
