## **Expanded water restrictions for 108 Mile Ranch Water System June 9 – 11 for repairs**

*108 Mile Ranch, B.C.* – Expanded water restrictions will be in place for the 108 Mile Ranch Water System from 12 p.m. on June 9, 2015 to 5 p.m. on June 11, 2015 for structural repairs to the well. During this time, only the water contained in the reservoirs will be available until the repairs are completed.

No outdoor watering is permitted, by hand or sprinkler. Indoor usage should be kept to a minimum by:

- postponing laundry,
- using minimal water for bathing and showering,
- flushing toilets only when required, and
- not running water when doing dishes and brushing your teeth.

If residents on the 108 Mile Ranch Water System have any questions about this situation, please contact the Cariboo Regional District's Environmental Services Department at 250-392-3351 or toll free at 1-800-665-1636. The CRD thanks all affected residents for complying with these restrictions and apologizes for any inconvenience this may cause.
