

## **WATER QUALITY ADVISORY NOTICE CANCELLED**

This Public Notice applies to the Alexis Creek and Central Alexis Creek Water Systems and should be considered by all persons in the affected areas of the Alexis Creek and Central Alexis Creek Water Systems.

This Public Notice is to advise all users in the affected areas that the Water Quality Notice has now been cancelled, effective October 28, 2016. All residents may now resume normal water use.

If you should have any questions we urge you to contact the  
Environmental Services Department  
Cariboo Regional District  
1-800-665-1636 or 250-392-3351.
