Central Cariboo - The Cariboo Regional District and the City of Williams Lake will be conducting a survey of residents in the Central Cariboo Recreation service boundary from January 23-30, 2014 regarding the Sam Ketcham Pool at the Cariboo Memorial Complex in Williams Lake. Discovery Research is the company that will be contacting residents by telephone to conduct the survey on behalf of the CRD and the City of Williams Lake.

Residents who reside within the Central Cariboo Recreation service boundary who are contacted by Discovery Research are encouraged to participate if they receive a call. The survey will be used to provide baseline information for elected officials and staff about the use and awareness of the Sam Ketcham Pool at the Cariboo Memorial Complex and the November Referendum.
