Evacuation alert expanded for area south and west of Quesnel to Tatelkuz Lake #2

Williams Lake, B.C. – Effective immediately, the Cariboo Regional District has issued an expanded evacuation alert for the area south and west of Quesnel to Tatelkuz Lake. This alert expands the evacuation alert for the south and west of Quesnel to Tatelkuz Lake area issued on August 1, 2017 and the evacuation alert for the area south of Quesnel and west of the Fraser River issued on July 28, 2017.

This alert is being issued due to the Tautri Complex wildfire (C50784) and the wildfire 4 kilometres north of Baezaeko River (C10812).

An evacuation alert has been issued to prepare you to evacuate your premises or property should it be required. Residents will be given as much advance notice as possible prior to evacuation; however you may receive limited notice due to changing conditions.

WHAT YOU SHOULD DO WHEN AN ALERT IS IN EFFECT

Upon notification of an **ALERT**, you should be prepared for an evacuation order by:

- Having a plan to transport all family members or co-workers outside of the area, should the area be brought back under evacuation order.
- Keeping essential items readily available for a quick departure; including medications, eyeglasses, valuable papers (i.e. insurance), immediate care needs for dependants and, if you choose, keepsakes (photographs, etc.).
- Ensuring that any dependants are prepared for departure.
- Ensuring that pets and livestock remain in a safe area.
- Ensuring that you have accommodation options for your family, if possible. Reception Centre will be made available again if required.
- Monitoring reliable news sources for evacuation order information.

Further information will be issued as it becomes available via the CRD Emergency Operations Facebook page (@CRDEmergencyOperations) and the CRD website www.cariboord.ca. For more information contact the CRD's public phone line at 1-866-759-4577.
