MEMORANDUM

TO: SOUTH CARIBOO RURAL DIRECTORS CAUCUS  
AND TO: JANIS BELL, CHIEF ADMINISTRATIVE OFFICER  
FROM: SHELLY BURICH, MANAGER OF COMMUNICATIONS  
DATE: AUGUST 31, 2011  
SUBJECT: 45<sup>TH</sup> ANNUAL LITTLE BRITCHES RODEO

---

Earlier this year, the 100 Mile & District Outriders Club cancelled the 2011 Little Britches Rodeo as a result of an outbreak of the Equine Herpes Virus in Western Canada. Prior to the cancellation of this event, the South Cariboo Directors endorsed the following resolution:

*That the memorandum dated February 28, 2011 from Shelly Burich, Manager of Communications regarding sponsorship of the Little Britches Rodeo, be received. Further, that \$60 in Opportunity Funds be approved for sponsorship of the event and to be allocated equally from Electoral Areas G, H, and L."*

Correspondence was received from the event organizers on August 17, 2011 indicating two options for sponsors. The first option states that sponsorships received for the 2011 rodeo could be carried over to the same sponsorship for 2012. If this is not acceptable, sponsors could request a refund.

Staff is recommending that the sponsorship, in the amount of \$60 which was apportioned equally between Electoral Area G, H and L Opportunity Funds, be carried forward to the 2012 Little Britches Rodeo. This item is being brought forward for further discussion, consideration and direction.

Yours truly,

Shelly Burich  
Manager of Communications

Re: 2011 Little Britches Rodeo and Sponsorships

As you probably know, we have had to cancel the rodeo for this year, **first** due to the Equine Herpes Virus that choose that week to make it's appearance, and the **postponed date** due to the fact that we couldn't find any officials to judge it.

We are on for next year, 2012, we already have our judges, announcer, etc booked for the long weekend in May.

We thank you for your support of this rodeo, without you, we couldn't put it on at all. **Your sponsorship** for this year's rodeo will go towards the same sponsorship for the rodeo next year, unless you would like it refunded. If I don't hear from you, we will assume that next year is fine.

Thank you very much for your support of the club and Little Britches Rodeo.

Sincerely,

*Denise Little*
