Re: Funding Request

The South Cariboo Chamber is a Non Profit Organization with the main purpose to support economic growth in the South Cariboo and promote it as an ideal community in which to live, work and play.

The Chamber maintains & distributes information packages to encourage companies that are planning relocation or expansion of their operations to seriously consider the South Cariboo as their new home. This information is also helpful for individuals considering a move to this area.

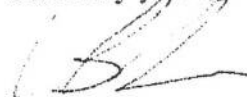

The South Cariboo business community as a whole is well-equipped to satisfy a wide variety of customer needs. The Chamber maintains a strong commitment to local shopping with an equally strong belief that the collective value of the 'South Cariboo Shopping Experience' is a competitive force in the marketplace.

We are seeking financial assistance from the Cariboo Regional District in the amount of 2,500.00 which will assist the Chamber in promoting Economic Development in the South Cariboo. This will include our new and improved website, Chamber Manager time to update the website monthly and a small amount of advertising cost to promote our Shop Local/Chamber Bucks program which as of this month will inject a \$115,000 in local shopping due to the success of this program!

The Chamber receives assistance from the District of 100 Mile House in the amount of \$6,000.00 per year which \$6,000.00 is given back to the District of 100 Mile House for the rental on the Chamber office.

We thank you in advance for your consideration.

Sincerely yours,

Vern Peever
President
