WHAT YOU SHOULD DO WHEN AN ALERT IS IN EFFECT

Upon notification of an **ALERT**, you should be prepared for the evacuation order by:

- Having a plan to transport all family members or co-workers outside of the area, should the area be brought under evacuation order.
- Keeping essential items readily available for a quick departure; including medications, eyeglasses, valuable papers (i.e. insurance), immediate care needs for dependants and, if you choose, keepsakes (photographs, etc).
- Ensuring that any dependents are prepared for departure.
- Moving pets and livestock to a safe area.
- Ensuring that you have accommodation options for your family, if possible. A Reception Centre will be made available if required.
- Monitoring reliable news sources for information on evacuation orders and locations of Reception Centres.
