COVID-19 Update Board meeting closed to public

Due to the unprecedented circumstances surrounding the current COVID-19 pandemic, media and the public will not be allowed to attend the Friday, March 27 board meeting of the Cariboo Regional District in person. Instead we have instituted an alternate approach to provide access to the proceedings, while helping protect the health of our elected officials, staff, media, and the public.

Board directors will be attending the meeting electronically. Chair Margo Wagner will be attending in person, as there is a requirement for some documents to be signed. Media wishing to listen live to the proceedings may contact CRD Manager of Communications Chris Keam (ckeam@cariboord.ca) for the necessary login and password information to call into the meeting. In addition, the agenda will be limited only to those items needing a timely response and/or legislated in nature.

We recognize this change is unusual and outside our normal practice. However, we feel that it is incumbent upon us to take all reasonable steps to combat the spread of the novel coronavirus. Your cooperation and support as we respond to the public health demands of this pandemic are appreciated.
