

PUBLIC NOTICE

SHARE SHED CLOSED UNTIL FURTHER NOTICE

Due to the rapidly changing situation around COVID-19, the Province of British Columbia has declared a provincial state of emergency. The health and safety of the public and our staff remains a top priority.

As a result, the share sheds at the Lac La Hache Transfer Station located at 4202 Cariboo Hwy 97 S will be closed effective immediately March 20, 2020 until further notice.

It is our suggestion at this time to refrain from using all share sheds within the district. We will continue to monitor the situation closely and make appropriate adjustments as necessary.
