

PUBLIC NOTICE

Refuse Site Summer Hours Start April 1st

CRD refuse sites are now operating on their regular summer schedule. Garbage and recycling access remains available at all controlled sites. Share sheds are closed until further notice.

In an effort to slow the spread of COVID-19 **ONLY USE REFUSE SITES WHEN NECESSARY** and practice social distancing while on site. These facilities are open as essential services, for household waste disposal, not for multiple trips of inert waste, please leave these non-essential trips for another time.

Thank you for your co-operation.
